DESIDERATA

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals, and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is as perennial as the grass.

Take kindly to the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

–Max Ehrmann

Desiderata — those things which are desired

The 1973 Signa is a record of the ascent towards our own special desiderata, a record of one year's climb by nine hundred and eighty children of the universe.

Activities

Be on good terms with all persons.

Being an Eagle at Eastern High School means participating in various activities which require working with others. From these associations, one learns to accept responsibility and to benefit from this knowledge.

Certainly friendship and fellowship are greatly desired as a part of high school life. Both may be attained if one gives of himself and accepts from others.

Governor Scott Says, "It's the Kids That Count."

Wonder how many freshmen were lost?

. . . At least that's what we think!

On August 31, Eastern held the key for all public schools in North Carolina. On that day, school was officially opened on our campus by the state's first citizen, Eastern zone's number one VIP, Governor Robert Scott.

The ceremony at Eastern symbolized the opening of schools throughout the state. Dr. Craig Phillips, State Superintendent of Public Instruction, also appeared on the program.

Governor Scott's remarks emphasized the adopted slogan: "It's the Kids That Count." He challenged the North Carolina school family to organize the activities for the year to give all "kids" the major emphasis. He further challenged the kids to make the school year "count".

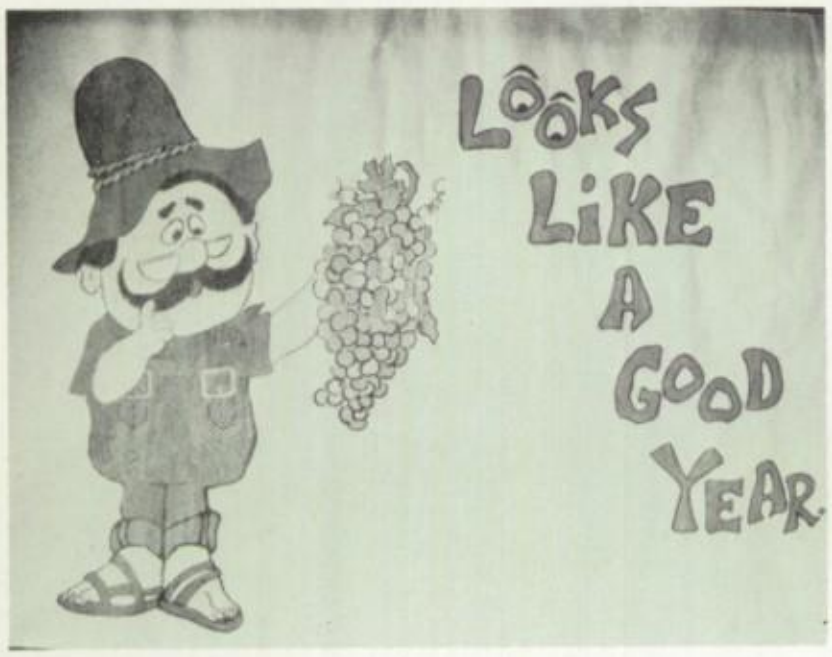
Eastern principal, Claude Dover, confers with Governor Robert Scott and students Mike White, Peggy Kueider, and Ricky Moore who participated in the program which opened schools for the 1972 term.

1972 School Year Begins

The 1972 school year at Eastern began with many students, a flourish of activity concerning schedules, a new "look" for all the buildings, feelings of pride and accomplishment as classes advanced in rank, and high hopes for this to be the "best year ever."

Few changes were seen in administrative and faculty assignments, but new faces there were on the campus as 283 freshmen sought their individual places as Eagles.

Everyone agreed that the "beginnings" could be exciting, challenging, and fun. All prospects, indeed, led the Eagles to declare, "It looks like a good year."



According to the map . . .

Some Days Are Special

Everyday at Eastern is special in it's own way; however, certain days add new dimensions. The traditional three "r's" give way to five big "R's" – Registration, Recognition, Report Cards, Reward, and Release!

Report Card Day

Karen Epps, Jane Lawrence, and Wilson Jeffreys express surprise (or could it be dismay?) upon receiving their report cards.

Honor Society Induction Day

The shield of the National Honor Society stands for character, service, leadership, and scholarship.

SAT Registration Day

Mrs. Carter aids Cyrena Wilson in registering for the Scholastic Aptitude Test.

Magazine Prize Day

Nancy Jackson, Susan Scott, and Mark Warren receive their prizes from the magazine sale from Mrs. Newlin.

J.V.'s Post Winning Season

The 1972 football season for the Eastern J.V.'s was a successful one. Good coaching and eager, hard-working players helped the Junior Eagles to a winning season.

Noted for exceptional ability as a ball carrier during the season was Spencer Woods as he showed fine qualities of an open-field runner.

The J.V.'s finished the season with a creditable 5-3-1 record, due to the coaching talents of Coaches Clayton, Lovette, and Scott and the ability of the players to work together as a team.

Many Clubs at Eastern Serve Through Projects

Membership in a club means being involved in many things – fun, fellowship, activities, and learning. However, a major part of club activities is devoted to service. In the many clubs at Eastern, members willingly give of their time to help needy families, raise money for the school, collect for worthwhile organizations, clean up the school and community, and answer other requests for help in many types of projects. Many students at Eastern have found deep satisfaction in serving their school and community as club members.

1972 Season is Disappointing for Eagles

The 1972 football season for the Eastern Eagles was a disappointing one. Several factors helped contribute to the Eagles' failure to equal last year's record.

Inexperience was one of the problems that faced the Mean Green. The small number of returning lettermen forced many players to play both offense and defense.

Injuries to key players was another problem that plagued the team.

Donald Hoover broke his wrist in pre-season practice and missed the first few games. After returning for four games, he broke his leg and spent the rest of the season on crutches.

Alan Wilson was out six weeks with a broken arm while Keith Bowland's broken ankle kept him out of play for six games.

Other players hampered by injuries included Rod Gordon, Perry Foust, and Kenny Cook.

In reviewing the football year, it must be remembered that this was a rebuilding year for the Eagles. 1972 was not good in terms of wins, but the players showed the desire, dedication, and pride that it takes to be an Eagle.

Sharon Raines Crowned Homecoming Queen

The evening of September 22 began with happy expectation and beautiful weather for the Homecoming festivities. The score of the football game with Southern was disappointing, but former students of Eastern and other fans of the Eagles found the half-time activities exciting.

After club sponsors and senior candidates for Homecoming Queen were introduced, Tonsie Parker was named Maid of Honor. The retiring Queen, Lynda Ingram, then crowned Sharon Raines the newly-elected Homecoming Queen 1972-'73 to the delight of the crowd.

National Honor Society Inducts New Members

New members prepare for induction ceremonies.

Excitement mounted as the students filed into the dimly lighted auditorium for the National Honor Society tapping ceremony. Parents and friends watched proudly as forty new members were inducted from the junior and senior classes.

Melinda Parker is Chosen Miss Eastern 1973

The hours which immediately precede the annual selection of Miss Eastern are always filled with excitement, and the evening of November 17 was no exception.

Parents and friends assembled in the auditorium to enjoy the performances by talented members of the Eastern High School student body and to share with the thirty-three senior girls the thrill of competing for a coveted title.

Each girl demonstrated her poise and grace and shared some information about her service and extra-curricular activities with the judges.

The selection of the winner was understandably a difficult one. When all votes were tallied, the participants and audience were delighted to see Melinda Parker crowned "Miss Eastern 1973."

Other girls receiving special recognition were Tonsie Parker, first runner-up, Donna Wilson, second runner-up, and Janet Lynch, third runner-up.

The contestants named Gwen Broome "Miss Congeniality" for the 1973 contest.

The Signa Presents the Many

The student photographer was in a sneaky mood. He rounded corners without warning, opened doors without an invitation and roamed the campus without a plan – but with the well-known beginner's luck he came up with aspects of the "real" Eastern. With a whimisical tongue in cheek, we share our reactions with you.

Come on now, Mrs. Carter, are you sure you want to join the Marines? Don't be taken in by that recruiter's line.

So what if that wasn't the answer you expected. You did get a response.

We refuse to identify this office. But honestly now, can you blame the occupant for taking a break?

Mr. Phillips pauses to enjoy the breezeway the way he likes it – deserted.

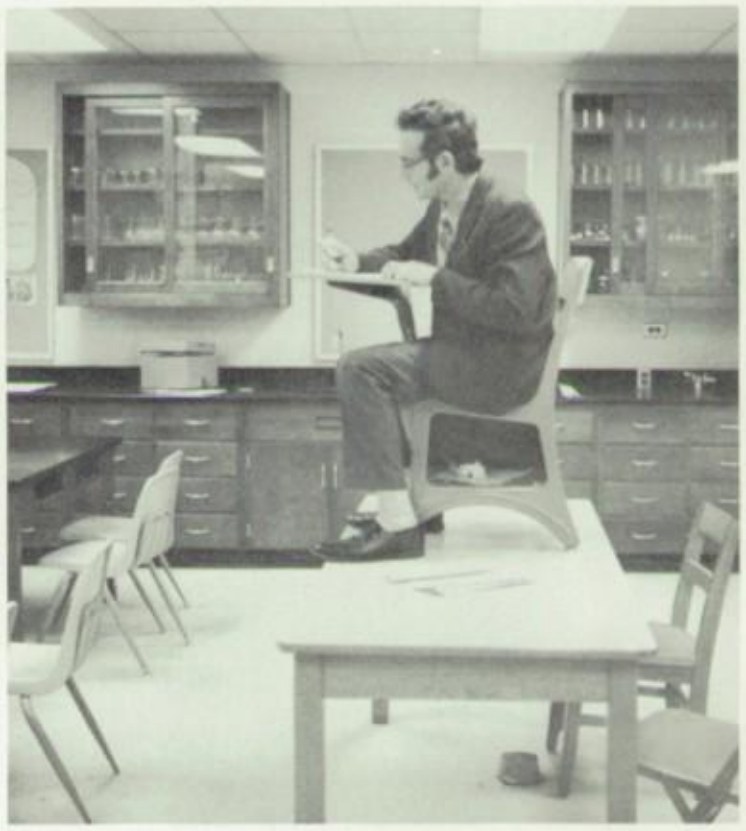
We agree with you, Mrs. Richmond. Nobody needs forks on soup day.

Faces of a Versatile Eastern Staff

We know, Mrs. Werth, the cake would have been better if they had turned the oven on.

That's our Mr. Clayton – a very versatile man – always measures up – regardless of how the mop flops.

Sure, Mr. Dover, we all want to get away once in a while. But in the gym?



Mr. Pomerantz stays on top of things – this time to monitor an exam – or to be near the lights.

All Mr. Dickey needs is a tall red suit and a long white beard – with perhaps a coupla' "Ho, Ho, Ho's".

Winter Sports Practice Signals Change of Season

Do those new fashions really keep you warm girls?

The sight of scantily clad wrestlers glimpsed through the gym lobby windows and the thump-thump-thump heard from the court – these things proclaimed to the Eagle family that winter was here and some changes were taking place. Winter sports schedules were posted and plans were made for holiday activities. As the weather became colder, new "heavy" clothing was worn and hopes (?) of snow were heard in conversations.

Fall was fun; winter had its pleasures also!

Jerry Haith says to Laura Hupman, "Why me, Laura?"

Tell me Mr. Snowman, is love really snow?

Eastern Cagers Record Winning Season

A strong desire to win and an unselfish attitude displayed by members of the Eastern varsity basketball team helped to carry the Eagle cagers to a creditable record for a winning season.

The "inexperienced sophomores" of the 1971-1972 season were now juniors who could boast of additional height, weight, and skill to couple with a full year of varsity play. Such a combination gave the Eagles the impetus to open the season with a four game winning streak and to post a total record of 13-7.

Coach Mike Clayton's team was always in contention for a top spot in the conference race and finished the season in a tie with Ragsdale for third place.

Eagle fans cannot help but speculate about the possibilities for success as this team, made up largely of underclassmen, begin competition in the 1973-1974 season as third-year varsity players.

J.V.'s Gain Valuable Experience Through Seasonal Play

The junior varsity basketball team began 1972 play with high hopes and determination. The three returning players, twelve Eagle beginners, and the new coach worked hard to make a cohesive unit of the team.

Four straight wins in as many opening games brought great optimism to supporters of the young team; however, the scores at the end of the next five games found Eastern in the loss column. During the balance of the season, the J.V. players traded wins and losses to end with a 9-9 over-all mark. In conference standings, the team finished fourth with a 7-9 total.

Eastern drew Northeast Guilford as an opponent in the opening round of mid-state tournament play and went down to defeat 69 to 55.

The experience gained during this season will be valuable to both the coach and team members and should be helpful for the 1973 J.V. and varsity teams.

Girls Suffer Through a Discouraging Season

Hard work, optimism, several returning lettermen, talented new additions to the squad, dedicated coaches – this combination should have produced a winning season for the Eaglettes. However, when the record was posted, the Eastern players found themselves in eighth position in the conference.

The team and fans were disappointed, of course, to gain so few wins in a long and grueling season, but the enthusiasm of the players never dampened and each challenge was met with confidence.

No doubt the team members and coaches will be able to capitalize on the experience of the 1972 season and produce a winning combination for 1973.

Varsity Cheerleaders Display Enthusiasm,

Tricia Schoderbek
Head

The Eastern varsity cheerleading squad has always been noted in the Mid-State Conference for its skill, enthusiasm, and good sportsmanship. The 1972-1973 team is no exception. Led by Head Cheerleader Patricia Schoderbek, these thirteen girls have devoted an enormous amount of time, effort, and energy in support of the athletic teams at Eastern. The team members and Eagle fans are always proud to see "their" girls represent them at home games and those played on another campus.

Truly Eastern has a squad of "Cheer Girls" which perform and lead in the highest Eagle tradition.

Wrestlers Field Largest Squad in Eagle History

If "numbers" was the name of the game, the Eastern wrestling team would have finished far out in front of all contenders, for more than thirty boys, dressed in all manner of attire, reported each day to the gym lobby for practice. Some were returning with experience, but many were beginning matmen. From this group it was possible for Eastern to supply a wrestler for every weight class.

At the end of seasonal play, Eastern had posted 7 wins to 5 losses. John Whited finished the regular season undefeated.

The experience gained by all wrestlers this season and the projected loss of only five seniors make the matmen, their coach, and fans very optimistic regarding next year.

Eastern Advances to Finals in Tournament

Garron Rogers and Tony Swann keep a close "eye" on their opponent's moves.

Since the Eastern basketball teams have failed to qualify for tournament play for the past two years, the 1972-73 Eagles found themselves faced with an exciting challenge. Meeting 6th ranked Northwest Guilford in the opening round, Eastern romped to an easy win.

Semi-final play bracketed Eastern with Bartlett-Yancey, who finished second at the close of regular season play. A goal tending violation in an overtime period gave the Eagles their final margin of victory.

In the final round, Eastern was pitted against 5th seeded Northeast Guilford. The Eagles lost a close one as Northeast clinched the championship and Eastern had to settle for the runner-up crown.

Three of the Eagle cagers were named to the All-Tournament team. Included were Garron Rogers, Johnny Warren, and Barney Rice. In addition Rogers and Julius Harrelson were named to the All-Conference team. The other three starters were included as honorable mentions.

Our young team made a good showing, and next year, with nine returning men, the Eagle squad should be a top contender for state honors.

Valuable assistance was given to the Eagle cause by Ronnie Wade who receives coach's instructions before entering a tournament game.

Sunny Weather Brings Outdoor Fun

Pam Rembert practices for her audition at Governor's School accompanied by Nancy Warren.

Spring came to the Eastern campus early in March and short skirts, spring fever, and outdoor sports were not far behind. Track and tennis teams attracted large numbers of participants who were eager to spend time playing in the spring air. The baseball and golf teams quickly filled opened positions and launched on a full schedule of play. Those students who did not join athletic teams were also eager to have "fun in the sun" and were to be seen doing so at every opportunity.

The outdoor basketball court is seldom empty of impromptu players.

Baseball Team Displays Skill, Determination, and Sportsmanship

Several young players were selected by Coach Lee Lovette to join returning lettermen on the 1973 Eastern baseball team. The season was launched with a shortage of practice sessions because of wet weather and field conditions; however, the spirit and enthusiasm of the team members and coach carried the Eagles into the games with confidence.

While the baseball team is the last competitor of the school year, wearing the Eagle green and gold, its members enjoyed playing and contributed to the team effort as if it were the first sport played during the year.

Many Eagles Aspire to Make Tennis Team

Warm early spring days attracted many students to the tennis courts and a large number remained to try out for the team. Coach Bryan Wall found both male and female contenders for places on the team, many of whom were experienced players.

THE OCCULT

Clubs and Academics

Many persons strive for high ideals.

Whatever ideals we are able to reach are seldom found closer than the end of the proverbial second mile. Eastern students who push toward extra goals find the mile posts marked "Involvement in Clubs" and "Full Co-operation in Class Activities." Extra participation is strictly voluntary, but the rewards are far from incidental. New friends with common interests and exciting information about a chosen subject add a new dimension to school experience.

Social Studies Department

The students at Eastern have a variety of courses from which to choose; however, all are designed to make the student aware of his responsibilities as a citizen. He may become acquainted with world civilizations, study the history and culture of the United States, and learn of history-in-the-making through reading and discussion in current events classes. Attention is given in all areas to a study of the many facets of a political democracy.

Vocational Department

The vocational education department offers a variety of programs to students. The opportunity to combine academic courses and employment in commerce or industry, the mastery of technical skills, and experiences in job-related activities in order to more readily choose a vocation – any one of these reasons encourages many students to choose vocational courses.

The programs allow the students to gain first-hand knowledge of the world of work by emphasizing on-the-job training, both in the classroom and at the place of employment.

Many saleable skills are learned in other areas of vocational education. Bricklaying, automobile repair, carpentry, and skills related to the agriculture industry are popular choices.

Students may also elect to gain knowledge and proficiency in business skills, the child-care area, and health-related occupations.

Future Teachers of America is a popular club for students who are interested in learning about careers in the education field. The programs and activities of this club are designed to give practical information about the teaching profession.

The club attended the annual convention at Wake Forest in March and presented Susan Scott as a candidate for state office.

Observance of the annual "Teacher Appreciation Day" in the spring was enjoyed equally by members of the club and faculty.

Key Club

The Key Club, sponsored by the Haw River and Mebane Kiwanis Clubs, is an organization which provides school and community service. Participation in the clean-up campaign at the Mebane Recreation Center and in local drives benefiting charitable organizations highlighted the year's activities. In addition, the Key Club engaged in a "sales race" with the Keyettes to provide funds for an athletic trophy case. The penalty for losing was paid by treating the girls to dinner.

The Key Club had a record number of members in attendance at the March convention.

Keyette Club

Keyettes have another ten minute "hurry-hurry" meeting during break to discuss an upcoming event.

Organized as a sister club to the Key Club, the Keyettes find many opportunities for service in the community and school. Carrying out their motto, "We serve," these girls made trips to Umstead Hospital and the Elon College Home for Children for parties. They also participated in fund raising drives for the Heart Fund, Muscular Dystrophy, and the United Fund. Out-selling the Key Club in the number of trash cans was a happy result of the drive to help raise money for a new athletic trophy case.

Civinette Club

Organized just a year ago, the Civinette Club has been active in many community and school projects. Collecting for the local Heart Fund and Muscular Dystrophy drives and raising money through a "spirit chain" to benefit a school project are examples of the service which these girls have given.

A highlight of the year was attendance at the state convention in the spring.

The Civinette Club is sponsored by the Hawfields Civitan Club.

Mrs. Gardner and Jane Webster are making exciting plans for that "fun weekend" at the Civinette convention.

Chess Club

This seems to be a tense situation for Glenn Davis, but David Brundage finds something amusing in this chess game.

The Chess Club is a very popular club at Eastern with a membership of initiates to the game, as well as "old pros." At every opportunity, the boards are brought out and members match wits with each other. Matches were scheduled with Williams, Graham, and Western during the late spring.

National Honor Society

The purpose of the National Honor Society is two-fold—to recognize and mark for special honor those who have excelled in designated areas and to provide an atmosphere where the members may continue to grow and develop toward excellence in the desired goals.

The selection of a student as a member of the National Honor Society signifies that he has been recognized as a student of good character who has rendered service to his school and community and as a leader and outstanding scholar.

Through the projects and programs of the Eastern High School Chapter of the National Honor Society the members are given the opportunities to fulfill the principle of service. Club members serve as guides at various school functions, sponsor the annual collection of gifts for needy families in the community at Christmas and present a scholarship to a deserving senior member.

Mrs. Mae Edla Shaw serves as sponsor for the club.

Jimmy Royal presides as newly inducted Honor Society members light their candles.

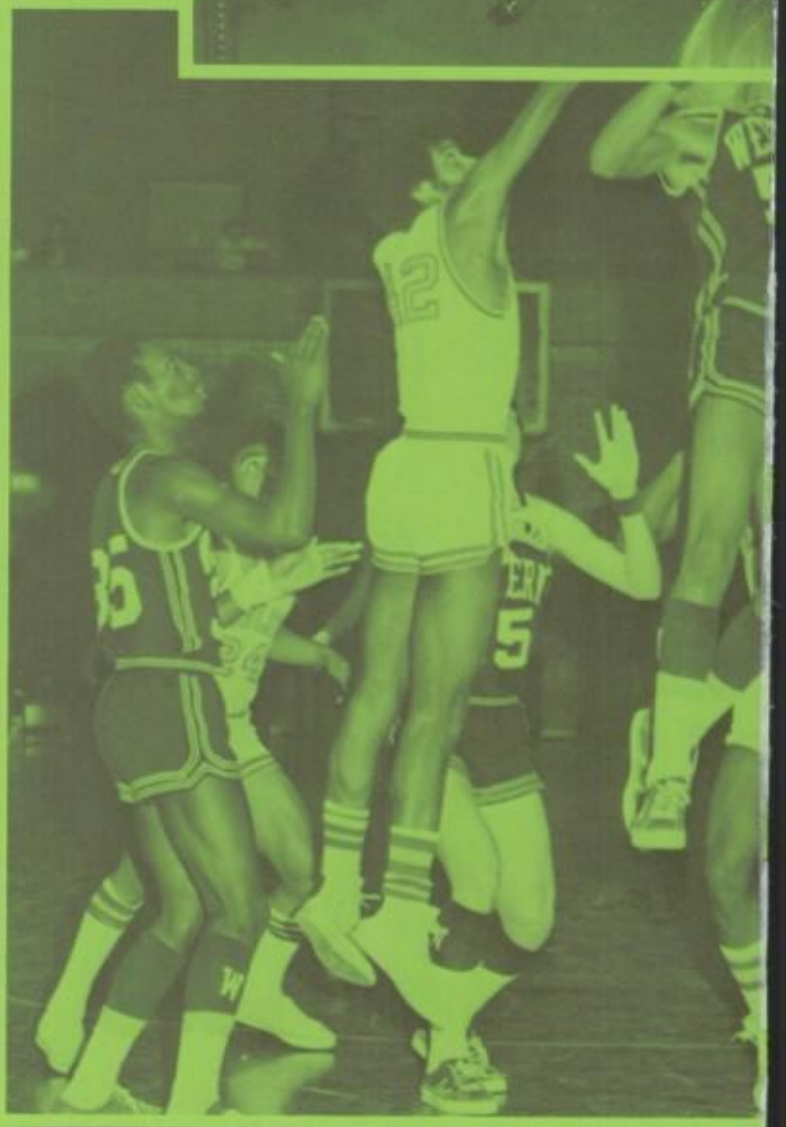
Be yourself.

Being oneself sometimes means being a member of a group. Each freshman finds his alphabetical place among the ninth graders; each senior sits in dignity among the other candidates for graduation. In a more real sense, being oneself means being an individual – each one involved in his chosen activity – doing his own thing.



CHARACTERS?

Freshmen

In some ways the freshman year is one of frustration. Ninth graders sometimes feel limited in their opportunities to participate in certain activities. The first year course appears to offer few electives. Happily, however, there ARE many opportunities for freshman students to move quickly from initiates into full membership in the student body and most ninth graders take advantage of them.

I think that I picked a great introduction. I hope you remember me as long as you will some of your friends

in school. I am writing it this way because nobody knows the future. This shall be something you will never get rid of so my writing will be in here for ever, and ever, just as I hope we are together for ever & ever. I hope you find in the years to come many beautiful memories from this annual, and I hope we will have many beautiful memories (I am not much for writing). You can remember this as a beginning of this to come, what ever they may be. Even though I will never know how you were in school, I will always know how you were with me.

TAKE SOME OF YOUR MONEY OUT OF THE BANK AND PUT IT IN A MATTRESS.

Here's one investment you won't lose any sleep over. And we guarantee that it will give you firm support for twenty years.

Now, that's some guarantee. But the new Kingsdown Crown Imperial is some mattress. It has layer after layer of foam that provides gentle comfort right next to you, while special steel coils give you deep-down support.

But with all that support, the mattress is extremely lightweight, because it's made with synthetic filling material. And that makes it completely allergy free.

The first night you sleep on the new and different Crown Imperial, you'll know you've put your money in a great little mattress. Or a kingsize. Or queensize. Standard Size, $99.50 per unit. Kingsize, $399.00 per set. Queensize, $269.00 per set.

Dear Jean -

Thank you very much for your letter. I was very glad to hear from you. Sorry I haven't written before but I've been very busy with my studies and I've had very little time. Anyway I'm writing now so here goes.

Great news about Duncan! I'm sure he'll be a great addition to the family. I'm sure you're all very happy.

Thanks for the invitation to your wedding but I'm afraid I won't be able to make it. It's a bit too far to travel for a weekend and I've got exams in June so I'll have to study. Sorry!

Anyway I'll be coming home for Christmas and I'll see you then.

Love

Linda

(Reserved) "Hey Corbett!"

Nancy.

This is your last year at school (EHS.) and I hope you've enjoyed it as much as I have. We've been through some bad times and also the good ones. We've had fun together just you and me - then we added a partner - Brenda and now we all have fun. Boy! Do you remember some of the bad times - in Burlington at 11:30 pm. with a dead battery and the owner was no where around. There something happened that night in Burlington when we met three of the nicest and best-looking boys on the east side of Burlington. Things turned out real good for you and Brenda. But that couldn't be helped. I know those nights with Barri, Bruce, and Robin are ones which I'll always cherish. Ever more I'd loved being around you and cutting up with you. I sure hope that when you get to State I'll get to visit my favorite school. OK?... OK!! I reckon I'll have to wish you the best of luck with Barri and y'all's future together because that's about all I can do since I'm going steady now and I don't get to go off with you & Brenda - not spedding as if I was wanted to go with y'all. But seeing it's Barri and Bruce I'll forgive you for that. I just wish mine was Robin. Come to see me during your 1st year in college. A friend always

Nancy,
I'm so glad that we have been friends since last summer. I know that we've had some rough times but we've also had some great times. Especially our last year's beach trip and with Ron + (what's his name) Really I'm glad we've been friends and I hope we always will be, This summer we'll have to get together and drag Main and see what kinds of trouble we can find! This fall when we begin school - I'll be a senior and you'll be a freshman - punk and I'll come to NCSU - if you go and visit and raise C A I N !
Lots of Luck + the good
